

**WHAT TO DO
IF YOU HIRED
MCCLENNY MOSELEY
& ASSOCIATES (MMA)
TO HANDLE YOUR
HURRICANE
INSURANCE CLAIM?**

What Happened?

MMA allegedly used illegal practices to obtain clients and were allegedly improperly pursuing those claims across Louisiana state and federal courts.

The Louisiana
Commissioner of
Insurance issued a
Cease and Desist
to MMA on
February 17, 2023.

Many of the cases
filed by MMA in
Louisiana are now
stayed, until this
mess is sorted out.

If you hired MMA, it might be worth getting a second opinion and switching to another law firm. Otherwise, your claim may not be able to move forward for some time.
